

JUICE EXTRACTORS

A high-quality photograph showcasing fresh fruit and vegetable juices. In the top left, a single red apple with a hint of yellow sits on a white surface. Below it, a clear glass is filled with freshly pressed apple juice, showing a thick layer of white foam on top. To the right of the apple juice, another clear glass is filled with vibrant orange carrot juice, with a white and yellow striped straw inserted. In the bottom left, two whole carrots are positioned next to a third glass of carrot juice, also featuring a striped straw. The entire scene is set against a clean, white background, emphasizing the freshness and natural colors of the ingredients.
