

DEAN SR42G & SR62G

SUPER RUNNER GAS FRYER

Basic Frying At Its Best -- Designed For All-Purpose Usage. Fry a wide variety of products with Dean's Super Runner fryers which easily accommodate items from French fries to main entree menu selections. The fryers are available in two oil capacities utilising 21 Litres and 37 Litres of oil.

Make the most of your energy dollars with Dean's exclusive Thermo-Tube design. The heating tubes provide a large oil contact surface. Flow-tube baffles control the transfer of heat into the oil. Dean's wide cold zone frypot protects oil integrity by trapping debris under the cooking area, preventing carbonization of particles and wasteful oil deterioration.

Dean's mechanical thermostat assures prompt recovery which reduces time lost between loads and requires no electrical hook-up. Dean's Super Runner gas fryers achieve dependability through simplicity of design, durable stainless steel baffles and rugged cast iron burners. The fryers carry a one-year warranty -- parts and labour with a five-year limited warranty on the frypot.
